

## Center For Limnology SCUBA Checklist

This list serves as a briefing to mandatory steps needed for diving as a CFL employee. It is not exhaustive and does not serve as a substitute for reading the Safety Manual.

### Paper work:

1. Provide a copy of your SCUBA certification to both the Hasler or Trout Lake administrative office and to the Dive Safety Officer.
2. Register as a new diver on the Limnology SCUBA website [http://scuba.limnology.wisc.edu/new\\_diver.php](http://scuba.limnology.wisc.edu/new_diver.php).
3. Read the SCUBA safety manual <http://scuba.limnology.wisc.edu/>.
4. Get supervisor approval for diving. Forms are in Appendix A of the diving manual.
5. Obtain a medical physical using documents from Appendices B, C, and D in diving manual.
6. Maintain a current CPR/First Aid certification.

### Dive planning and proficiency dive:

7. Submit dive plan online.
8. Complete one practice dive under similar conditions of that which would be present during the dives submitted in your dive plan.

### After each dive:

9. Log dives online.
10. Report any diving incidents or equipment failure online and to Dive Safety Officer.
11. Disinfect/clean all gear.
